# PARTS THAT KEEP YOU MOVING.

## **Welcome To Your One-Stop, All-Makes Solution.**

When we say we have a complete selection of all-makes parts for class 6-8 trucks, we mean it. Road Choice® carries over 50 product lines with a rock-solid commitment to in-stock availability and quick delivery. Whether for a single truck or a mixed fleet handling multiple applications, we're the one-stop source for the all-makes parts and accessories you need.

## **A Better Brand Of Replacement Parts.**

Road Choice® all-makes components are precisely engineered to strict OEM factory standards. As one of the Aftermarket's leading private label brands, our products are tested for quality and proven to fit your vehicle perfectly. All at a price that respects your budget. We know you have deadlines to meet and customers to satisfy. Count on us to be here with the parts and expert advice to keep your fleet moving forward.

## **Our Most Extensive Product Selection.**

Our all-makes inventory covers every category from antennas and wiper blades to brakes, bumpers, fenders, fluids, wheels and much more. Road Choice parts are available for all makes of trucks, including Freightliner, Iveco, Kenworth, Mack, MAN, Mercedes, Navistar, Peterbilt, Sterling, Volvo, Western Star and more. It's a selection that covers virtually all model years.

# QUALITY THAT KEEPS YOU COMING BACK.

## **Confidence Comes With Every Purchase.**

Road Choice all-makes parts come with a one-year warranty, with certain categories providing extended or lifetime warranties for extra peace of mind. It's coverage that adds value and confidence for your vehicles regardless of the routes they run and the conditions they endure.

## **In-Store Or Online. Parts Counter Or Doorstep.**

Road Choice truck parts are sold at more than 600 retail locations throughout the United States and Canada. Road Choice parts are also available online 24/7 through the Road Choice Retail network via PartsASIST™. Orders made through your local Road Choice retailer are expedited to your doorstep or available for parts counter or curbside pickup.

## **We're Here To Help.**

If you don't see the component you're looking for on these pages, just let us know at [info@roadchoice.com](mailto:info@roadchoice.com). Our parts experts will search our full inventory of truck parts and get back to you to confirm specs and pricing. Need more information? Visit [www.roadchoice.com](http://www.roadchoice.com) to find a list of authorized Road Choice parts retailers.

A close-up, low-angle shot of a large yellow truck tire and wheel assembly. The tire is heavily treaded and appears to be on a dirt or gravel surface. The wheel is a large, yellow, multi-spoke design. The lighting is dramatic, with strong highlights on the yellow metal and deep shadows in the tire tread and under the vehicle's chassis.
